

NATIONAL WORKSHOP ON

“ANALYTICAL CHROMATOGRAPHY TECHNIQUES FOR QUALITY & EFFICACY ASSESSMENT OF MEDICINAL PLANT RESOURCES (IBSD-SAPB)”

May 18-22, 2026

- Phytochemical Evaluation
- Standardization and quality control
- Quality-related safety concern
- Bioactivity-guided fractionation/isolation
- Therapeutic Evaluation
- Demonstration of HPLC, HPTLC, GC-MS, LC-MS/MS
- Training on HPLC, HPTLC, GC-MS, LC-MS/MS

Who can join

Participants will include faculty members, researchers from universities/institutes/R&D organizations, and industries from different NER states of India working in the field of medicinal plant research. Application for participation should be duly forwarded by the head of the organization/institute.

Registration:

- There is no registration fee. Interested candidates are requested to apply in the prescribed format.
- The application should be forwarded by the head of the organization and also highlight the statement of purpose.

The Total number of participants in this workshop is limited.

For Registration:

The application should include a “statement of purpose”
