2. TWO-BID SUBMISSION PROCEDURE

Bidders must submit their offers in two separate sealed envelopes, clearly marked as "**Envelope-I: Technical Bid**" and "**Envelope-II: Financial Bid**". Both envelopes must be enclosed within a larger sealed outer envelope superscribed: "**Tender for Auction of E-Waste & waste and Gas Cylinders - Ref No: IBSD/3/AUCTION/2026**".

Envelope-I: Technical Bid Requirements (Mandatory Agency Documents)

Bidders must submit self-attested photocopies of the following documents. **Failure to submit any of these will result in immediate disqualification:**

- **EMD Instrument:** Original Demand Draft, FDR, or Bank Guarantee for the exact amount, prepared strictly in favour of **Director, IBSD** payable at **Imphal**, or valid proof of statutory exemption under GFR 2017.
- **Tenderer Profile Table:** Duly filled, signed, and stamped profile detailing business identities (*Format provided in Annexure H*).

- **Statutory Registrations:** Valid GSTIN Registration Certificate, PAN Card copy, and Income Tax Returns (ITR) for the last 2 financial years.
- **Environmental Clearances (Mandatory for E-Waste):** Valid and active registration/authorization certificate as a Recycler/Reprocessor/Dismantler issued by the **Central Pollution Control Board (CPCB)** or any **State Pollution Control Board (SPCB)**.
- **No Blacklisting Certificate:** An affidavit on Non-Judicial Stamp Paper (worth ₹100) stating that the firm/agency has never been blacklisted (*Format provided in Annexure A*).
- **No Objection Certificate (NOC) / Declaration:** A signed declaration in the company/agency letter head stating the bidder has inspected the scrap materials, accepts all terms of the "As-Is-Where-Is" condition, and has no objections (*Format provided in Annexure B*).

Envelope-II: Financial Bid Requirements

- The Financial Bid must be submitted strictly in the format provided in **Annexure C**.
- Bidders must quote a **lump-sum amount** (inclusive of applicable GST and local taxes/levies) for individual lots or the entire inventory, as specified in the schedule.
- The quoted amount must be equal to or higher than the designated Estimated Base Value/Reserve Price. Offers lower than the base value will be rejected automatically.
- The quote must be written clearly in both figures and words. Conditional financial bids or bids with overwriting/fluid corrections will be rejected.

3. CORE TERMS AND CONDITIONS

3.1. "As-Is-Where-Is" Condition

The materials are sold exactly as they lie. The organization gives no guarantee regarding the weight, quality, description, or components of the items. Bidders are strongly advised to inspect the lot prior to bidding. No complaints will be entertained after the bid submission deadline.

3.2. Pre-Submission Checking and Site Verification

- **Mandatory Verification from Source:** Before dropping the final sealed tender into the designated box, every bidder must process their profile, credentials, and site inspection tracking log through **the Store Purchase Officer / Disposal Committee In-Charge** at the institute storage facility.

3.3. Earnest Money Deposit (EMD) & Statutory Exemptions

- **Value and Mode:** Every bidder must submit an EMD along with their Technical Bid in Envelope-I. The instrument must be prepared in favour of **Director, IBSD**, payable at **Imphal**.
- **Exemption as per Rule:** As per **Rule 170(i) of the General Financial Rules (GFR), 2017:**

"Micro and Small Enterprises (MSEs) as defined in MSE Procurement Policy issued by Department of Micro, Small and Medium Enterprises (MSME) or are registered with the Central Purchase Organisation or the concerned Ministry or Department or Startups as recognised by Department of Industrial Policy & Promotion (DIPP) are exempted from submission of Bid Security."

- **Exemption Conditions:** Bidders claiming this exemption must submit a valid **Udyam Registration Certificate** (Manufacturers/Service Providers only; traders/dealers are excluded) or a DPIIT Startup recognition certificate. They must mandatorily sign and submit the **Bid Securing Declaration** (*Format provided in Annexure E*).
- **Refund & Forfeiture:** Unsuccessful EMDs will be refunded without interest within 30 days of the award. The successful H1 EMD will be retained as security. The EMD shall be forfeited if the bidder withdraws their bid during its validity, submits fake documents, fails to deposit the contract value on time, or fails to lift the materials.

3.4. Payment Schedule & Pre-Lifting Conditions

- **Pre-Lifting Payment:** Under no circumstances will the successful bidder (H1) be permitted to lift, dismantle, pack, or transport any portion of the auctioned lot prior to depositing the **entire financial contract value**.
- **Payment Window:** The successful bidder must deposit 100% of the quoted bid value and Tax Collected at Source (TCS) within **5 working days** from the date of issuance of the **Letter of Intent (LoI)** or **Sale Order**.
- **Mode of Payment:** All payments must be made via electronic fund transfer (**RTGS / NEFT**) or through a **Demand Draft** drawn in favour of **Director IBSD** payable at **Imphal**.
- **Consequences of Non-Payment:** If the H1 bidder fails to deposit the full amount within 5 working days, an extension of up to **3 working days** may be granted, subject to a late payment penalty of **1% per day** on the total due amount. Failure to pay within this window results in immediate cancellation of the Sale Order and **complete forfeiture of the EMD**.

3.5. Storage and Demurrage Charges for Delayed Lifting

- **Lifting Timeline:** The successful bidder (H1) must completely lift, pack, and transport the entire auctioned lot from the premises within **7 working days** from the date of issuance of the formal **Delivery Order (DO)**.
- **Levy of Demurrage:** If the bidder pays on time but fails to clear the materials within 7 working days, they will be permitted to leave the items on-site for a maximum extended grace period of **7 additional calendar days**, subject to a **Demurrage / Storage Charge** of **1% of the total quoted financial bid value per day**.
- **Abandonment & Forfeiture:** If the buyer fails to lift the materials after the expiry of the 7-day extended grace period (14 total days from the DO date), the auctioned lot will be deemed **permanently abandoned property**. The organization will cancel the DO, **forfeit 100% of the deposited funds**, and re-auction the items. The organization holds zero liability for any theft, damage, weather deterioration, or accidental destruction during this delay window.

3.6. Logistics, Loading, and Transportation Charges

- **Absolute Onus on the Buyer:** All costs, charges, and expenses related to the handling, sorting, dismantling, packing, loading, and transportation of the auctioned scrap shall be **borne entirely and exclusively by the successful bidder (H1)**. The organization will provide zero financial, machinery, or labor support.

- **Transit Liability:** Once the materials pass through the facility gate, the organization ceases to hold any ownership or responsibility. All risks related to transit accidents, loss, theft, or environmental leakages rest solely with the successful agency. Bidders must arrange all mandatory transit permits, etc. at their own cost.

3.7. Damages to Site Property and Buyer Responsibilities

- **Structural Damage Liability:** The successful bidder (H1) shall be solely and fully responsible for any damage, structural cracking, breakage, or defacement caused to the organization's buildings, floors, walls, gates, pillars, or utility installations during the handling or extraction process. Dragging heavy items across facility floors is strictly prohibited.
- **Cost of Restoration:** The cost of repairing or replacing the damaged property will be calculated by the organization's engineering department, and this certified amount will be final and binding.
- **Deduction from EMD:** The organization reserves the right to deduct this calculated restoration cost directly from the buyer's EMD or balance funds. The Material Gate Pass and final Delivery Order will be **withheld immediately** until all property damage penalties are cleared in full.
- **Site Cleanup & Accident Indemnity:** The buyer must clear all debris and packing waste generated during extraction, leaving the site in a completely clean condition. The organization bears zero medical or legal responsibility for any injury or casualty suffered by the buyer's personnel while executing work on the premises.

3.8. Absolute Authority to Cancel or Withdraw Tender

- **Right to Cancel or Annul:** The competent authority of the organization reserves the absolute and unrestricted right to accept or reject any bid, to annul or cancel the entire bidding process, or to withdraw the tender at any stage prior to or after the award of the contract, **without assigning any reason thereof.**
- **No Compensation Claims:** In the event of such a cancellation or withdrawal, bidders shall have no right to claim any compensation, damages, or reimbursement for expenses. Eligible EMDs will be refunded in full without interest within 30 days of cancellation.

3.9. Forgery, Fraud, and Fake Document Submission Penalties

- **Zero Forgery Tolerance:** If it is discovered at any stage of the tender process that a bidder has submitted fake, forged, fabricated, or altered certificates (including fake CPCB/SPCB permits, doctored ITR records, or false Udyam/MSME files to evade EMD), their bid will be declared fraudulent and rejected immediately.
- **Punitive Consequences:** The organization will execute **complete forfeiture of the EMD**, permanently **blacklist and debar the agency** and its directors from all future public tenders for a minimum period of 3 to 5 years / Permanently, file a formal **First Information Report (FIR)** with the police for criminal cheating, and report the fraud to the CPCB/SPCB for license revocation.

4. SPECIALIST CLAUSE: SAFE HANDLING AND DISPOSAL OF SCIENTIFIC GAS CYLINDERS

4.1. Chemical Safety and Hazardous Residuals

- **Presence of Residual Gas:** Bidders must note that scientific gas cylinders may contain residual, highly pressurized, flammable, toxic, or corrosive chemical gases (including Ammonia, Silane, Arsine, Phosphine, Carbon Monoxide, or inert carrier gases).
- **No Venting Permitted:** The successful bidder is strictly prohibited from venting, purging, or releasing any residual gas into the atmosphere within or around the facility premises.

4.2. Statutory Compliance and Technical Competency

- **PESO Approvals:** The bidder must ensure strict compliance with the **Gas Cylinders Rules, 2016** and guidelines issued by the **Petroleum and Explosives Safety Organization (PESO)**.
- **Certified Personnel:** Only certified, trained, and safety-equipped personnel shall be deployed to handle, load, and secure the cylinders. The buyer must provide their team with appropriate Personal Protective Equipment (PPE) including self-contained breathing apparatus (SCBA) and gas leak detectors during the extraction process.

4.3. Logistics, Securing, and Liability

- **Valve Safety Caps:** No cylinder shall be moved or loaded without a firmly secured valve protection cap and safety guard. Rolling, dropping, or dragging cylinders horizontally on the ground is strictly banned.
- **Dedicated Transportation:** Cylinders must be transported vertically in specially designed, open-top or well-ventilated vehicles equipped with chain restraints to prevent movement during transit.
- **Indemnity:** The successful bidder shall completely indemnify the auctioning organization against any accident, valve rupture, explosion, leakage, environmental pollution, or legal penalization occurring during the handling, loading, or transportation of these cylinders.

5. DISPUTE RESOLUTION AND ARBITRATION

5.1. Amicable Settlement

In the event of any dispute, difference, or disagreement arising between the Tender Screening/Disposal Committee of the Organization and the Bidding Agency/Vendor regarding the interpretation of tender clauses, quantity mismatches, damage assessments, or execution delays, both parties shall first make every effort to resolve the matter amicably through direct, mutual consultations.

5.2. Reference to Competent Authority

If the dispute is not resolved through mutual consultations within **15 days** from the date the issue is formally raised in writing, the matter shall be referred to the **Director** of the Organization. The decision of the Head of the Organization shall be final, conclusive, and binding on both parties.

5.3. Formal Arbitration

If the bidder remains unsatisfied with the decision of the Head of the Organization, the dispute shall be referred to formal arbitration in accordance with the provisions of the **Arbitration and Conciliation Act, 1996**.

- **Appointment of Arbitrator:** The arbitration proceedings shall be conducted by a **Sole Arbitrator**, who will be mutually appointed by both parties.

- **Language and Venue:** The venue and seat of the arbitration proceedings shall be **BRIC-IBSD**, and the language of the proceedings shall be English.
- **Cost of Arbitration:** The administrative fees of the arbitrator and all operational expenses connected to the arbitration hearings shall be shared equally between the Organization and the Vendor.

5.4. Jurisdictional Limitations

The contract/tender execution process shall be governed by, interpreted, and enforced strictly in accordance with the laws of India. Any residual legal actions or court proceedings arising out of this tender shall fall exclusively under the territorial jurisdiction of the courts located at **Imphal, Manipur**.
